

Dear Patient,

We are excited to offer our patients a new information system called IQHealth, which meets the federal government's requirement for all specialists to offer patients access to their medical records.

This system allows web based interactions between patients and our office. You will be able to:

- View your test results
- Request an appointment
- Request medication refills
- Update demographic information
- Send and receive messages
- Keep track of your health

In order to take advantage of this new feature, we will need your email address. You will then receive a one-time secure email invitation from **IQHealth.com** to set up an account. Simply click on the link in your email and follow the prompts to activate your account. For any questions or concerns please contact the office for assistance.

We hope this new system will make communication with our office easier and more convenient. If you choose not to participate, you may still contact the office via telephone and mail.

Sincerely,

Brandywine Podiatry Provider

I wish to participate

Name: _____

Email Address: _____

Last 4 digits of SSN: _____

I do not wish to participate
